- Once a group of orders have been placed, the Fire Department will locate the adopted hydrants and place the reflective markers with the "Patriot Banding" design.
- In the event that there are multiple requests for marking the same hydrant, we will place the marker on one of the many critical hydrants that we have in town that may be overlooked. We will notify residents or businesses of our placement once the marker is installed.

This program is made possible by the Hy-Viz Company, Tewksbury Fire Department, Tewksbury S.A.F.E. Program, and the local support of residents and businesses of Tewksbury!

Thank You for your support!
