

TEWKSBURY CONSERVATION COMMISSION

Certificate of Compliance

7 COPIES OF THE FOLLOWING:

- Complete Request for Certificate of Compliance Application (WPA Form 8A)
- If the Order of Conditions for said project contains a plan stamped by a registered professional engineer, architect, or land surveyor, have them write a letter stating that substantial compliance with these plans has been achieved.

OR

- If the current state of the project site deviates from the original plans obtain an as built plan stamped by a registered professional engineer, architect, or land surveyor.

Please either staple or paper clip all of the above information together to form 7 individual packets and submit to the Conservation Administrator at 1009 Main Street.

The Conservation Commission usually meets on the first and third Wednesday of every month. To be put on the agenda for a specific meeting all material should be submitted at least two weeks prior. If you have any questions please call (978)640-4370 x236.
